

UNITED STATES DISTRICT COURT FOR THE EASTERN DISTRICT OF NORTH CAROLINA

If you worked at the Solar Farm on Roslin Farm Road in Hope Mills, NC in 2015 or 2016, you may be eligible for a payment.

A federal court authorized this notice. This is not a solicitation from a lawyer.

- The parties have reached a proposed settlement to resolve a lawsuit over whether the workers who built the Hope Mills Solar Farm were employees entitled to overtime, who their employers were, and whether they are entitled to be reimbursed for the cost of purchasing personal protective gear and for deductions from their pay for workers’ compensation.
- Under the proposed settlement, class members will be eligible to receive settlement payments in amounts that will vary based on whether the class member worked overtime hours and amounts deducted from his or her pay for workers’ compensation insurance according to the available records. More details about the settlement are provided in this document and are available by contacting Class Counsel or visiting HopeMillsSolar.com.
- Your legal rights are affected whether you act, or don’t act. Read this notice carefully.

YOUR LEGAL RIGHTS AND OPTIONS IN THIS SETTLEMENT:	
SUBMIT A CHANGE OF ADDRESS FORM	This will ensure you receive your payment, if you are entitled to one.
EXCLUDE YOURSELF	Get no payment. This is the only option that allows you to ever be part of any other lawsuit against Alpha Technologies Services, Inc., East Carolina Commercial Services, LLC, Solar Guys, Inc., Cesar Mendoza or Jorge Ramos, about the legal claims in this case.
OBJECT	Tell the Court why you don’t like the settlement.

- These rights and options—**and the deadlines to exercise them**—are explained in this notice.
- The Court in charge of this case still has to decide whether to approve the settlement. Payments will be made if the Court approves the settlement and, if there are any appeals, if the appeals are resolved in favor of the settlement. Please be patient.

BASIC INFORMATION

1. Why did I get this notice package?

You received this notice because your name is included in payroll and/or timekeeping records maintained by East Carolina Commercial Services showing that you worked at the Hope Mills Solar Farm between December 20, 2015 and July 31, 2016 or because you previously joined this case by submitting a form called Consent to Join FLSA Unpaid Wage Lawsuit.

The Court authorized the Plaintiffs' lawyers to send you this notice because you have a right to know about a proposed settlement of a class action lawsuit, and about all of your options, before the Court decides whether to approve the settlement. If the Court approves it and after objections and appeals are resolved, a settlement administrator appointed by the Court will make the payments that the settlement allows.

This package explains the lawsuit, the settlement, your legal rights, what benefits are available, who is eligible for them, and how to get them.

The Court in charge of the case is the United States District Court for the Eastern District of North Carolina, and the case is known as *Rodriguez Martinez, et al, v. Alpha Technologies Services, Inc.*, Case No. 5:17-CV-628. The people who sued are called Plaintiffs. They are Mateo Hernandez Lopez, Pedro Rodriguez Martinez and Elmer Menjivar Argeta. The company and the people they sued, Alpha Technologies Services, Inc., East Carolina Commercial Services, LLC, Solar Guys, Inc., Cesar Mendoza and Jorge Ramos, are called the Defendants.

2. What is this lawsuit about?

The lawsuit alleged that the Defendants misclassified the Plaintiffs and their coworkers as independent contractors rather than employees, failed to pay the workers overtime, illegally deducted money from workers' pay for Workers' Compensation insurance, required workers to purchase their own personal protective gear such as hard hats, safety glasses, gloves and vests, and did not pay workers for all hours worked. The Defendants deny that they were the employers of the workers and deny they did anything wrong.

3. Why is this a class action?

In this class action, one or more people called Class Representatives (in this case Pedro Rodriguez Martinez, Mateo Hernandez Lopez, and Elmer Menjivar Argeta), sued on behalf of people who have similar claims. All these people are a Class or Class Members. One court resolves the issues for all Class Members, except for those who exclude themselves from the Class. U.S. District Judge Louise Flanagan is the federal judge presiding over this class action.

4. Why is there a settlement?

The Court did not decide in favor of Plaintiffs or Defendants. The Plaintiffs think they could have won all or most of their claims and recovered back wages and liquidated damages for the class members if they won at trial. The Defendants think the Plaintiffs would not have won anything from a trial because none of them were legally the employer of the Class Members and they believe they complied with the law. But there was no trial. Instead, both sides agreed to a settlement. That way, they avoid the cost of a trial, and the members of the proposed class will get compensation. The Class Representatives and the attorneys for both sides think the settlement is fair for all Class Members and for the Defendants.

WHO IS IN THE SETTLEMENT

5. How do I know if I am part of the settlement?

A list of everyone included in the Settlement Class is attached at the end of this Notice.

Judge Flanagan decided that everyone who fits this description is a member of the Settlement Class: *Any and all individuals engaged in the construction of IS46 through Defendant East Carolina Commercial Services, either individually or jointly with one or more of the other Defendants, at any time from December 20, 2015 until July 31, 2016.* The people who previously filed a Consent to Join FLSA Unpaid Wage Lawsuit (the “Opt-ins”) are also included even if they don’t fit in the Settlement Class definition.

If you are still not sure whether you are included, you can ask for free help. You can call 1-866-415-1389, or contact us through HopeMillsSolar.com, or email SolarFarmClassAction@ncjustice.org for more information.

THE SETTLEMENT BENEFITS—WHAT YOU GET

6. What does the settlement provide?

The Defendants have agreed to pay \$250,000 into a settlement fund to be divided among the Class Members and Opt-ins, provide incentive payments for the Class Representatives and other individuals who responded to discovery requests, and to pay Class Counsels’ fees and costs.

7. How much will my payment be?

Your share of the fund will depend on the exact dates and hours per week you worked, your rate of pay, how much money was deducted from your pay for Workers’ Compensation insurance, and whether you are an Opt-in (meaning you submitted a Consent to Join FLSA Unpaid Wage Lawsuit).

Everyone in the class will receive a payment equal to the amount that was deducted from his or her paycheck for “WC” during the relevant time period and \$35 towards reimbursing him or her for cost of purchasing personal protective gear. In addition, the Opt-ins (people who previously submitted a Consent to Join FLSA Unpaid Wage Lawsuit) will get a payment equal to the amount they are owed in overtime during any workweeks falling within three years of submitting the form. Taxes will be withheld from the portion of this payment that is considered wage damages.

If after one year there is still money remaining in the Settlement Fund because some Class Members could not be located, the remaining money will be distributed to the Class Members and Opt-ins who received the first payment. Each person getting a second distribution will get the same percentage of the total amount Class Counsel believes they are owed based on the available records.

To find out exactly how much your payment will be before taxes, contact Class Counsel at 1-866-415-1389, SolarFarmClassAction@ncjustice.org, or through HopeMillsSolar.com.

HOW YOU GET A PAYMENT

8. How can I get a payment?

To receive your payment, you need to provide your current address. A Change of Address form is attached to this Notice. You may also request a Change of Address form at www.HopeMillsSolar.com or by emailing Class Counsel at SolarFarmClassAction@ncjustice.org. You can also contact Analytics LLC, the Settlement Administrator, at 1-877-318-1027.

You can also make sure your coworkers get their payment by sharing this Notice with people you know whose name appears on the list of Settlement Class Members and encouraging them to contact Class Counsel.

9. When would I get my payment?

The Court will hold a hearing on **May 15, 2020**, to decide whether to approve the settlement. If Judge Flanagan approves the settlement and that decision is not overturned on appeal, the settlement administrator will begin sending people their payments as soon as possible after the approval. In order to make sure you receive your payment, contact Class Counsel with your current address.

10. What am I giving up to get a payment or stay in the Class?

Unless you exclude yourself, you are staying in the Class, and that means that you can't sue, continue to sue, or be part of any other lawsuit against Alpha Technologies Services, Inc., East Carolina Commercial Services, LLC, Solar Guys, Inc., Cesar Mendoza or Jorge Ramos about the legal issues in *this* case or in any way related to the claims in this case. It also means that all of the Court's orders will apply to you and legally bind you. If you do not exclude yourself, you will agree to a “Release of Claims,” described below, which describes exactly the legal claims that you give up if you stay in the Class.

EXCLUDING YOURSELF FROM THE SETTLEMENT

If you don't want a payment from this settlement, but you want to keep the right to sue or continue to sue any of the Defendants about these same legal issues on your own, then you must take steps to get out of this case. This is called excluding yourself or opting out of the settlement Class.

11. How do I get out of the settlement?

To exclude yourself from the settlement, you must send a letter saying that you want to be excluded from *Rodriguez Martinez v. Alpha Technologies Services, Inc.* Be sure to include your name, address, telephone number, and your signature. You must mail, e-mail or fax your exclusion request postmarked no later than **April 21, 2020** to:

Solar Farm Class Counsel
North Carolina Justice Center
P.O. Box 28068
Raleigh, NC 27611-8068
Fax: (919) 856-2175
E-mail: SolarFarmClassAction@ncjustice.org

If you ask to be excluded, you will not get any settlement payment, and you cannot object to the settlement. You will not be legally bound by anything that happens in this lawsuit.

12. If I stay in the Class, how does that impact my legal rights??

Unless you exclude yourself, you give up any right to separately sue any of the Defendants for the claims that this settlement resolves. This is called a "Release of Claims." If you have a pending lawsuit speak to your lawyer in that case immediately. You must exclude yourself from *this* Class to continue your own lawsuit. Remember, the exclusion deadline is **April 21, 2020**.

13. If I exclude myself, can I get money from this settlement?

No. If you ask to be excluded, you will not get any settlement payment. You may be able to sue (or continue to sue) any of the Defendants in the future. However, lawsuits are subject to being dismissed if claims are not filed within applicable time limits. If you exclude yourself from this action, those time limits will start running again.

THE LAWYERS REPRESENTING YOU

14. Do I have a lawyer in this case?

The Court decided that Ms. Clermont Ripley, Esq., and Ms. Carol Brooke, Esq., of the North Carolina Justice Center and Mr. Dhamian Blue, Esq., of Blue LLP are qualified to represent you and all Settlement Class Members. These lawyers are called “Class Counsel” and you may contact them if you have questions about your rights in this case or about the lawsuit. Clermont Ripley and Carol Brooke speak Spanish. You can contact them at:

You and the Settlement Class Members will not be charged for these lawyers. If you want to be represented by your own lawyer, you may hire one at your own expense.

15. How will the lawyers be paid?

Class counsel will ask the Court to approve payment of attorneys' fees and their out-of-pocket expenses. The fees would pay Class Counsel for investigating the facts, litigating the case, and negotiating the settlement. The Court may award less than these amounts.

Class Counsel will also ask the Court to approve incentive payments to the three Class Representatives for their services as Class Representatives and to twenty-one individuals who assisted with the case by responding to discovery requests from Defendants after they submitted Consent to Join FLSA Unpaid Wages Lawsuit forms.

OBJECTING TO THE SETTLEMENT

16. How do I tell the Court that I don't like the settlement?

If you're a Class Member, you can object to the settlement if you don't like any part of it. You can give reasons why you think the Court should not approve it. The Court will consider your views.

You can ask the Court to deny approval by making an objection, but you can't ask the Court to order a different settlement. The Court can only approve or reject the proposed settlement. If the court denies approval, no settlement payments will be sent out and the lawsuit will continue.

To object, you must send a letter saying that you object to *Rodriguez Martinez v. Alpha Technologies Services, Inc.* Be sure to include your name, address, telephone number, your signature, and the reasons you object to the settlement. Mail or fax the objection to the address below postmarked no later than **April 21, 2020**:

Solar Farm Class Counsel
North Carolina Justice Center
P.O. Box 28068
Raleigh, NC 27611-8068
Fax: (919) 856-2175

You may also object by attending the Court's fairness hearing described below.

17. What's the difference between objecting and excluding?

Objecting is simply telling the Court that you don't like something about the settlement. You can object only if you stay in the Class. Excluding yourself is telling the Court that you don't want to be part of the Class. If you exclude yourself, you have no basis to object because the case no longer affects you.

THE COURT'S FAIRNESS HEARING

18. When and where will the Court decide whether to approve the settlement?

The Court will hold a Fairness Hearing at **10:00 a.m. on May 15, 2020**, at the United States District Court for the Eastern District of North Carolina, 413 Middle Street, New Bern, NC. At this hearing the Court will consider whether the settlement is fair, reasonable, and adequate. If there are objections, the Court will consider them. Judge Flanagan will listen to people who attend the hearing in order to object. After the hearing, the Court will decide whether to approve the settlement. We do not know how long these decisions will take.

19. Do I have to come to the hearing?

No. Class Counsel will represent the Class at the hearing and answer any questions Judge Flanagan may have. But, you are welcome to come at your own expense. If you send an objection, you don't have to come to Court to talk about it. As long as you mailed your written objection on time, the Court will consider it. You may also pay your own lawyer to attend, but it's not necessary.

20. What happens if I do nothing at all?

If you do nothing, you will be included in the Settlement Class and you will agree to the Release of Claims, meaning you won't be able to start a lawsuit, continue with a lawsuit, or be part of any other lawsuit against Defendants about the legal issues in this case, ever again. You will be eligible for a payment if the settlement is approved.
